Elected Members: all

Members: Charles, Jonah, Racheal, Talia, Nicole, Emily

Agenda:

-President, Vice President, and all Grade Reps will be going around the school at lunch to judge the Christmas Door Decorations for each class.

-Dance Decorations

-Nurse Tammy and food survey

Notes:

Food survey questions: food choices, prices, vending machines, food ethnicity, changes to how its run, food on what days,

-It would be more efficient to go class to class and give paper sheets instead of a forum.

-A student suggested that bathrooms are filled with perfume so a bathroom with no perfume would be valuable(allergies). This can also lead into no perfume being done in class.
