Phone: (780) 532-7721 Fax: (780) 532-6036
Website: www.gppsd.ab.ca/school/gpcomposite/

Parents and/or Guardians,

Our records indicate that you are currently set to come to the Grande Prairie Composite High School for the 2024-2025 school year. Your input through PowerSchool helps us build your personal timetable for 2024-2025.

We would like to have you complete your course selections online through your PowerSchool account. Below you will find a link to the following resources that will help guide you through the course selection process:

- a Grade 9 Course Calendar (detailed course descriptions)
- a Grade 9 course registration instruction document
- a video tutorial to help you complete your online course registration for next year.

We would ask that your online **registration be completed by Monday March 25th.**

If you are having **difficulty logging into PowerSchool please contact your current school for login information.**

If you are having difficulty or have questions regarding the online course registration process, please contact the Grande Prairie Composite High School at 780-532-7721.

We are very excited to have you joining our school in the fall and we will have an information session March 27th at 6:00pm for all grade 8 families to help answer any questions you may have for the upcoming school year. Additionally, the first day of school will be for grade 9's only where they can meet all the staff and complete some fun and interactive activities to help them transition into high school. We hope you and your family are excited about joining us in the fall.

Please follow the link to our webpage and select "Grade 9 Course Selection" to access all of the information required for Course Selection.
